

### Panasonic BX Series Refrigerator

**A** available in stainless colour or white metal finish, this refrigerator is designed to improve convenience and keep foods fresher. The bottom mount models feature an Australian-first 'Prime Fresh' technology, which softly freezes meat and seafood to minus three degrees Celsius, to extend the life of perishable foods.

**RRP: From \$1,399**

**Panasonic: 132 600**

### Electrolux ERC930SA Rangehood

**T**he ERC930SA incorporates the Hob2Hood technology in a sleek, wall mounted 90cm unit that also features touch on glass controls, dishwasher safe filters and quiet operation. The ease of operation and stylish features complement the design and ambience of the modern kitchen while providing hands-free control over the rangehood.

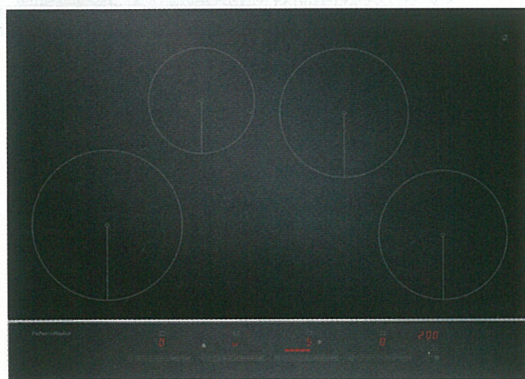

**RRP \$1,449**

**Electrolux Home Appliances:**

**1300 363 640**

## NEW PRODUCTS

### Fisher & Paykel Touch&Slide Induction Cooktop

**T**hese cooktops are available in five different models offering a choice in not just size, but the number of cooking zones. While the 90cm has five cook zones and the 75cm has four cook zones, there are now two 60cm variants in either three or four zones, while the 30cm cooktop offers two zones.

**RRP: From \$1,549**

**Fisher & Paykel: 1300 650 590**
