

## Perfume-free hand sanitiser for food sites

Safe T Guard is an alcohol-free, instant hand sanitiser, containing special ingredients that reduce the spread of germs. Delivered via a touchless dispensing system as a foam (or via pump bottle) onto the skin's surface, it quickly evaporates when hands are rubbed together. Safe T Guard's cutting-edge moisturising formula is perfume free, which makes it ideal for use in food processing environments. This sanitiser leaves hands soft and smooth with no lasting stickiness, odour or residue.

## A JRT that pampers with style

Traditionally, JRT (Jumbo Roll Tissue) is designed as a cost-effective solution for high-traffic washrooms to reduce the chance of run-out during peak times. What makes the Veora Exclusive JRT 300m 2-ply stand out is it now comes with a new embossed treatment that gives it 'not only extra strength, but also makes it softer and gentle on your bum,' explains the marketer.
