

### Compact scrubber charges while it scrubs

With a lithium ion battery and built-in battery charger, the Adiatek baby plus Li 35 (345mm cleaning width) scrubs and charges the battery at the same time. This single disk, multi-purpose scrubber/drier is said to offer a 'total eco-friendly design for healthy interiors'. The machine (pictured at its Pulire launch) can work for more than two hours; has a 15 litre solution tank and 16 litre recovery tank; and has a theoretical working capacity of 1240 sq m per hour.

### Concentrated stripper a real cost-saver

A highly concentrated (1:20 for heavy stripping) ultra-high performance stripper, Pioneer Eclipse's Formula X-treme is a powerful, non-ammoniated formula that cuts through heavy build-up and hard to remove water-based seals in record time. The low odour formula makes Formula X-treme ideal for 24-hour retail stores or health care facilities. It can be used on vinyl composition tile (VCT), and most types of terrazzo, marble and quarry tile.

### This 'banana' helps prevent slips and falls

People associate banana peels on the ground as being slippery. So why not have a banana peel that prevents slipping? The Banana Cone is manufactured with very thick, bright and high quality polypropylene. It is extremely durable and the warning message is inherent in the cone's shape. The Banana Cone's printing is clear, its colors are bright and they are tough. Other features include a sturdy base and detachable stem; stackable; and 60 by 30 by 30cm in size.

### Disposable cleaning cloth free offer

Kimberly-Clark Professional is offering free samples of its Wypall X60, disposable multipurpose cleaning cloth. Durable enough to handle general cleaning tasks, Wypall X60s are soft and absorbent when used for personal wiping. They are versatile, offering a balance between performance and value. Efficient and hygienic dispensing systems allow easy access to wipers while ensuring individual wipers are hygienically dispensed. The self-dispensing poly-bag is portable so wipers can be taken to where they are needed.

### Operator-friendly, highly productive urban sweeper

Delivering efficiency, safety and reliability, the Hako Citymaster 1600 road sweeper also offers 'second to none driving comfort'. A state-of-the-art chassis; airconditioning; one button operation in sweeping mode; and excellent manoeuvrability make the Citymaster 1600 particularly operator-friendly. The machine's 40 km per hour speed cuts down travel time while its working speed of up to 24 km per hour and permanent all-wheel-drive boost performance under all conditions. A powerful low-emission engine has a standard ECO mode.
