

Designed for heavily trafficked terrazzo floors

Delivering excellent gloss and outstanding depth on terrazzo flooring, Glamour Terrazzo Sealer provides a tough, hard wearing and durable finish. Ideal for high traffic areas including shopping centres and foyers, it is said to have excellent levelling characteristics allowing for an even finish with minimal effort. Glamour has a variety of benefits including high gloss; scuff mark and abrasion resistant; easy application and fast drying; and a deep clear finish. It is available in 3 litre pack sizes.

Extension leads with built-in RCDs

Electrical extension leads with built-in residual current devices (RCDs), complying to Australian electrical safety regulations, are offered by Cleanstar. There are two models being a 20 metre long 10 amp lead with a 10 amp plug, and a 20 metre long 15 amp lead with a 10 amp plug. RCDs, commonly known as safety switches, are designed to immediately switch-off the electrical supply when harmful levels of electricity leaking to earth are detected.

Bacteria killing, long lasting deodoriser

Florogen is a concentrated alcohol-based air freshener that is ideal as a space deodorant or as a surface deodorant for extremely long lasting 24 hour deodorisation. For long lasting deodorisation, Florogen may be used in toilets, under sinks, behind desks and furniture and waste bins after cleaning. The pleasant perfumes of Florogen alcohol based products include original, strawberry, lavender and frangipani. Florogen has been proven to kill 99.9% of bacteria, states the marketer.
