CLEANSTAR™
THE STAR IN FLOOR CARE

THE STAR IN FLOOR CARE

Visit us at
AUSCLEAN on
the Gold Coast
this October -
Stand 36

Cleanstar is Australia's leading wholesale distributor of commercial and domestic vacuum cleaners, vacuum bags, filters, spare parts, accessories, general cleaning equipment and supplies.

Family owned and with over 100 years combined industry experience, we are a proud Australian company focused on good old fashioned customer service and values, making Cleanstar the brand the industry has come to trust and rely on.

We continually strive to offer the Australian cleaning industry new, innovative and quality products at competitive prices. And together with our network of local and worldwide partners and large stock holdings, we pride ourselves on offering the most comprehensive product range in Australia.

Below is just a snapshot of the new and innovative products we have on offer through our large Australia-wide distributor network. For more information on our full product range, visit www.cleanstar.com.au.

Cleanstar brings you...

ANTIBACTERIAL VACUUM BAGS

Our brand new range of Antibacterial vacuum bags help prevent harmful bacteria from breeding and are effective against allergens. Suitable for use in hospitals, medical centres, nursing homes, schools and public areas.

Large range available to suit CLEANSTAR, GHIBLI, PACVAC, ORIGIN, PULLMAN, NILFISK, SEBO and many more models.

UP TO 99.9% REDUCTION IN BACTERIA

Cleanstar brings you...

CARBON VACUUM BAGS

Our brand new range of Carbon vacuum bags are layered with activated carbon which helps to effectively eliminate odours and keeps your vacuum cleaner smelling fresh. Suitable for areas with animals, food areas, public areas, offices, schools and households.

Large range available to suit CLEANSTAR, GHIBLI, PACVAC, ORIGIN, PULLMAN, NILFISK and many more models.

Cleanstar brings you...

AEROLITE BACKPACK

With proven reliability and 1400 watts of power, the Cleanstar AEROLITE BACKPACK ticks all the boxes and is great value. Featuring HEPA filtration, vacuum and blower function, clear lid and low profile floor tool. Available in various colours.

Cleanstar brings you...

GHIBLI SafeT1 BACKPACK

Your safety is our priority with Cleanstar's new SAFETY featured Backpack from Ghibli. Italian made and offering 1450 watts of power and reliability, safety features include a high-visibility orange body, neon orange vacuum hose, 20m extension lead with built-in RCD safety switch and synthetic dust bags for better filtration.

HI-VIS SAFETY EXTENSION LEADS

Ideal for both indoor and outdoor use and offering greater safety enhancements including reinforced insulation, shock-proof, flame retardant, temperature resistant and water resistant (cable only), our new 20-metre Safety Extension Leads come in three high-visibility colours: Orange, Yellow and Green.

Cleanstar brings you...
